CRPO - College Update February 5, 2014

• The Transitional Council is about one month behind with the pilot tests for the application procedures.

• Proclamation is projected for sometime in the first half of 2014. Grandparenting will begin 3 months before the proclamation.

Before you can fill out an Application, you must have opened a CRPO account and successfully passed the Jurisprudence Module.

The CRPO APPLICATION FORM:

• The Application is a series of questions. It takes approximately 4 hours to fill out. The steps are easily managed.

• Payments to fill out the Application can only be done through your personal banking institution. You will have to add the College of Registered Psychotherapists to your PAYEE LIST. It will take at least 2 days for the College to process your payment. The College will not take credit cards or cheques or money orders.

• The Application will have to be notarized.

• A validation letter from an employer is required. The notarized application and the validation letter can be faxed or scanned. A barcode will be sent to applicants to be used on all correspondence.

• Any information from CRPO to applicants will be sent to the applicant's CRPO account. Applicants will be notified via email about any messages from CRPO. Applicants will have to log in to their CRPO account to retrieve these messages.

• So far over 2900 people have opened an account with CRPO.

All prospective members must open a CRPO account and complete the e-learning module. We ask all CAPCT members who wish to be members of the CRPO to complete this first step as soon as possible.

Please continue to regularly visit the College website at www.crpo.ca

Any questions can be directed to Dannette Graham (CAPCT Liaison with the CRPO) at dannette@dannettegraham.com or to Dena Tenenhouse (CICAPP, Director) at dена_ten@hotmail.com. Dannette and Dena will be happy to answer your questions.
